

Manager Operations (m/f/d) Shipping Group, Hamburg

Our client is a Hamburg based mid-size shipping group with a fleet of currently nineteen vessels comprising container ships, chemical tankers and bulk carriers. The Group offers technical ship management, commercial management including chartering and operational control, crew management as well as SNP and newbuilding project support.

The management team consists of seasoned business experts including former Nautical Officers and Ship's Engineers. To live by their motto "frank, fair and forward" and to ensure a successful operation the team aims at highest quality standards in their daily work.

Values of openness, fairness and direct relations are not only extended to the business partners but most importantly also to the employees.

To fill the position as Manager Operations in Hamburg we are seeking to find a candidate who meets the company's values and matches the following profile:

Your responsibilities

- Management of daily vessel's operation and leading the Operations team of 2 colleagues
- Monitoring daily operations for compliance with agreed contracts
- Handling of confidential documentation such as commercial contracts, charter parties, insurance and claims related documents, vessel related communication
- Member of Emergency Response Team - handling operational challenges
- Invoice freight and time-charter hire as per contracts
- Processing of commission invoices

How to apply

Please submit your electronic application together with a CV and supporting documents to Imrecke Consulting GmbH at following email address:

m.imrecke@imrecke-consulting.de

In case of queries please contact Matthias Imrecke via above email or via +49-172-4157271

- Processing, monitoring and tracking of delivery, redelivery and off-hire periods, issuing the respective notices
