

Tanker Operator (m/f/d)

Ship Management Company, Hamburg

Our client is a dedicated ship manager with approximately 110 vessels in service. The company provides superior flexible and customised services in the container, MPP, bulk and tanker segment. Around 4,300 employees, working both ashore and at sea, are committed to provide an efficient, save, environmentally friendly and reliable performance for the benefits of their business partners.

To strengthen the **Tanker Team**, we are seeking a **Tanker Operator** with a career history matching the following profile:

Your responsibilities

- Support the tanker fleet on all operational matters
- Pre- and Post fixture
- Collaborate and communicate internally with the vessel, the vetting team, with the nautical and technical superintendents, the quality team and the crewing department
- Liaise with external partners such as brokers, pools, owners and insurers
- P&I claims handling
- Liaise with H&M and P&I insurers
- Assist with cargo handling and tank cleaning matters
- Agency nominations

- Review the ship-to-ship clearance
- Assist with port disbursement accounts
- Handle queries from owners
- Prepare internal and external reporting
- Assist the container and bulker team where and when required

Your profile

- Apprenticeship as "Schiffahrtskaufmann" or
- Junior Officer with Tanker experience
- Prior experience in a similar role is a must
- Sound knowledge of tanker operations
- Very good communication skills and can work efficiently with multicultural teams
- Problem solving skills and interest in tackling operational challenges
- Self-motivated
- Taking initiative
- Fluent in English

Our client offers

- An interesting and challenging role with a high level of independency and responsibility
- A professional, friendly, multicultural and modern environment
- A lean organization with quick decision-making processes
- A structured onboarding process
- Office location in the center of Hamburg, easy to reach by public transport
