

IMRECKE
CONSULTING

Technical Superintendent

with Gas Tanker and Marine experience (m/f/d)
Shipping Company, Bremen

Our client is a traditional Bremen based shipping company with a diversified fleet of gas tankers, oil / chemical tankers and dry cargo vessels. The company conducts technical ship management, commercial management including chartering as well as crew management for the entire fleet.

To cater for the fleet expansion and to strengthen the technical department we are seeking a candidate who meets the company's values and matches the following profile:

Your responsibilities

- Assume responsibility for the efficient and effective operation of assigned ships
- Ensure readiness of the assigned ships
- Planning, controlling and monitoring the implementation and quality of the execution of maintenance and repair measures including nautical and cargo equipment
- Plan, control and execute all activities connected to maintenance, repairs, dry-docking, conversion or modification of vessels, class renewal and certificate requirements
- Conduct regular Marine & Safety inspections and internal audits
- Operate to company procedures and best ship management practices whilst giving absolute regard to safety of life at sea and protection of the environment at all times
- Defining technical and maintenance standards for assigned equipment and elaborating specific training measures
- Liaise with the relevant authorities
- Maintain strict control of vessel expenditure and budgets and approve purchases
- Visit the assigned vessels regularly

Your profile

- Engineering qualification is a must
- Having served a min. of 2 years on board as Engineer or in the field of marine/process engineering
- Experience with LPG and Ethylene tankers is a must
- Marine and Safety inspection and internal audit experience is a must
- Project management experience
- A good communicator
- Planning, organizational and budgeting skills
- Leadership and management skills
- Self-motivated and creative
- Result oriented and taking initiative
- Fluent in English

Our client offers

- An interesting role with a high level of independency and responsibility
- A professional and friendly team
- A lean organization with quick decision making processes
- A structured onboarding process
- A modern working environment
- A competitive package
