

IMRECKE
CONSULTING

Technical Superintendent (m/f/d) with Container or Bulk carrier experience Shipping Management Company, Istanbul

Our client is an international maritime service provider, specializing in the technical management of high value maritime assets and the provision of a wide-range of support services. The fleet comprises container, bulkers, MPPs and tankers.

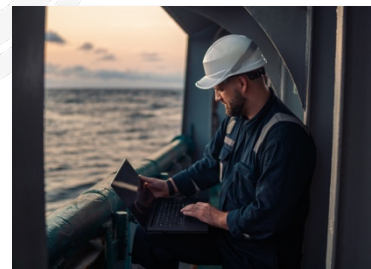

To strengthen the team in **Istanbul** we are seeking a candidate who matches the following profile:

Your responsibilities:

- Assume responsibility for the efficient and effective operation of assigned ships
- Work as a member of the ship management team
- Operate to company procedures and best ship management practices whilst giving absolute regard to safety of life at sea and protection of the environment at all times
- Plan, control and execute all activities connected to maintenance, repairs, dry-docking, conversion or modification of vessels, class, and certificate requirements
- Liaise with the relevant authorities
- Maintain strict control of vessel expenditure and budgets and approve purchases
- Ensure and monitor energy-efficient ship operations
- Visit the assigned vessels regularly
- Control and monitor the risk of shipboard processes and procedures
- Provide assistance to establish root causes, corrective and preventive action in incident or accident investigation
- Participate in senior officer briefings
- Build and maintain professional and effective working relationship with senior ships staff
- Conduct senior officer appraisals and contribute in their career development
- Ensure that client relationships are proactively developed through open and transparent communications and constant improvement of the level of service provided.

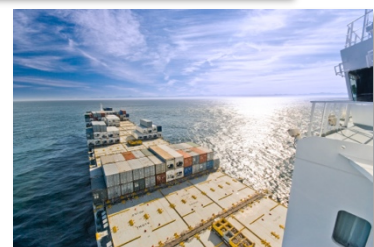

Your profile

- Engineering qualification
- Having served on board as Second Engineer or higher
- Having worked as a technical superintendent is an added benefit
- Container or bulk carrier experience
- A good communicator
- Planning, organisational and budgeting skills
- Self-motivated and creative
- Result oriented and taking initiative
- Fluent in English

Our client offers

- An interesting role with a high level of independency and responsibility
- A lean organization with quick decision making processes
- A professional, international, and friendly team
- A structured onboarding and training process
- A competitive and performance related salary as well as benefits

How to apply:

Please submit your electronic application together with a CV and supporting documents to Imrecke Consulting GmbH to following email address: info@imrecke-consulting.de
