Join as **Tanker Master (m/f/d)** and change to  
**Marine Superintendent & Vetting Manager (m/f/d)**  
Tanker Management Company - Hamburg

Our client is a Hamburg based shipping company, specialized in the technical management of crude and product tankers. As part of a succession planning process, the company is seeking an acting master with tanker experience to join their fleet for a good year, before shifting ashore to the office, to replace the present Marine Superintendent and Vetting manager by the end of 2022. The future holder gets the opportunity to “breathe in” the company philosophy on running and managing their sophisticated tanker tonnage before coming ashore. A detailed and structured onboarding follows thereafter.

This is obviously a good opportunity for any acting Master who is planning the next step in his career.

**Your responsibilities when ashore**

- Assume responsibility for the assigned vessels from a marine, nautical and vetting point of view
- Work as part of the ship management team
- Operate to company procedures and best ship management practices whilst giving absolute regard to safety of life at sea and protection of the environment at all times
- Assist to execute activities connected to maintenance, repairs, dry-docking, conversion or modification of vessels
- Examine onboard all aspects of safety, navigation and cargo operations
- Liaise with the relevant authorities and oilmajors
- Conduct pre-vetting inspections
- Accompany TMSA audits
- Assist with maintenance of quality records and crew evaluations/briefing
- Visit the assigned vessels regularly
- Act as a member of the Emergency Response Team
- Reporting to Fleet Manager

**Your profile**

- EU National
- Master with Crude and Product Tanker experience with no less than 2 years in command
- Vetting experience
- Ability to travel
- A good communicator
- Planning, organisational and budgeting skills
- Self-motivated and creative
- Result oriented and taking initiative
- Fluent in English

**Our client offers**

- A structured onboarding process during the time on board and when stepping ashore
- An interesting role with a high level of independency and responsibility
- A professional and friendly team
- A lean organization with quick decision making processes
- A modern working environment
- Work in the thriving city of Hamburg
